### 3. REGISTRATION FOR THE Ph.D. PROGRAMME

The candidates can register under following categories for the Ph.D. Programme:

- Full-time Research Scholar (with or without stipend or fellowship)
- ii) Part-time Research Scholar

The candidates belonging to any of the above categories may register in the Institute Departments coming under these regulations.

### 3.1. Full-time

Research scholars within this category are those who pursue their full-time doctoral research under the guidance of a research Supervisor in Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

### 3.2. Part-time

Research scholars within this category are those who are presently employed either on regular or temporary basis with a minimum of 2 years of continuous service / experience in Institute / University / College, who may pursue their doctoral research under the guidance of the main Supervisor who should be from Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore and / or the Co-Supervisor / Co-guide from the College / Institute / University where the candidate is employed.

### Part-Time Ph.D. Admission for candidates from Industries

The candidates from industries should satisfy the following criteria:

- 1. The industry where the candidate is employed should be a registered firm which has been in existence at least for five years.
- The industry should have a minimum of 15 employees of which at least one should be Ph.D qualified, who shall be the Co-Guide / Co-Supervisor of the candidate, while the main guide / Supervisor shall be from Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.
- 3. The candidate should have a continuous service of atleast two years in the industry.
- 4. The candidate should produce a No Objection Certificate from the employer.
- The Part-time candidate should put in 45 days of attendance per year and work at the Avinashilingam Institute for Home Science and Higher Education for Women under the supervisor during the programme period.
- 6. Every six months the candidates should produce a certificate from the employer about their service status.

Applicants seeking admission for Part-Time Ph.D. are required to submit the filled in details in Appendix - XVI.

### 4. DURATION OF RESEARCH

The duration of research for the two categories of Research Scholars with PG degree and M.Phil. degree holders is given in the table below:

Cotogorioo	Master	s degree	M.Phil degree	
Categories	Minimum	Maximum	Minimum	Maximum
Full-time	3 Years	5 Years	2 Years	4 Years
Part-time	4 Years	6 Years	3 Years	5 Years

The candidates shall pay a penalty of ₹ 1000, ₹ 1500, ₹ 2000 and ₹ 2500 respectively for every six months upto a period of two years to get extension of time for submission of thesis after the minimum duration period.

### 5. CONVERSION OF FULL-TIME REGISTRATION INTO PART-TIME AND VICE VERSA

The Institute may permit conversion from full-time research to part-time research and vice versa in respect of candidate registered, for valid reasons and subject to satisfying the registration rules and conditions in force. The period put in by the candidate will be worked in the ratio of 2:3 for research put in before and after such conversion.

For these scholars, the minimum and maximum period of research will be decided based on the period already completed in full time / part time, as the case may be.

The candidate has to submit the No Objection Certificate from the employer (in case of conversion of full-time to part-time).

The request for conversion shall be forwarded through proper channel to the Vice-Chancellor for recommendation to RAC and further approval.

### 6.1. Application for Provisional Registration

A candidate applying for provisional registration shall furnish all the information in the form prescribed together with the prescribed fee. Every applicant who satisfies all the conditions and procedures prescribed by the Institute, shall be provisionally registered for the Ph.D. programme.

Registration for the Ph.D. programme must be done by the candidate within TWO MONTHS after getting the admission card / selection from the Institute. ### 13. PART-I: PH.D EXAMINATION AND EVALUATION

#### 13.1. Written examination-Papers I, II, III and IV

**Paper I : Research Methodology** – Common to candidates belonging to one or more departments.

**Paper II : Advanced Paper in the discipline** – Common to all the candidates in a particular discipline.

**Paper III : Special Paper** – Pertaining to the area of specialization chosen by the candidate in consultation with the Supervisor.

**Paper IV : Research and Publication Ethics** (for scholars admitted to Ph.D both with and without M.Phil.)

For each of the above course, 60% of marks shall be allotted for the continuous internal evaluation / assessment (CIA) and the remaining 40% shall be allotted for the comprehensive examination.

# The following components shall be adopted for CIA for each paper

I	Two Tests (2 x 10)	20 Marks
П	Two Assignments (2 x 10)	20 Marks
	Two Seminars (2 x 10)	20 Marks
	Total	60 Marks

The duration of examination and the maximum marks for each written paper shall be 3 hours and 100 marks respectively.

### 13.2. Passing minimum

# The requirement for a candidate to be declared successful in the Part-I: Ph.D. course work examination shall be as follows:

- ★ A minimum of 55% in each course (both internal and external assessments put together).
- ★ The candidate who does not satisfy the above condition shall be declared as 'failed' in the particular paper(s)
- ★ A candidate shall be declared to have qualified for the Part-I: Ph.D. degree if she has passed all the written papers and successfully completed her research work. The results thus obtained shall also be classified

### 13.3. Restriction in the number of chances

No candidate shall be permitted to reappear for the written papers more than twice (two occasions) or to re-submit a dissertation more than once.

#### 13.4. Exemption for M.Phil. candidates for Part I Examination

Candidates who possess M.Phil. qualifications completed by regular mode in the same discipline/field of research are eligible for exemption from undergoing the written examinations of all the three papers except Paper 4 - **Research and Publication Ethics**. If the degrees are not in the same discipline, they are exempted only from Paper-I Research Methodology and shall undergo Paper-II and III, like other candidates.

Therefore, candidates who have joined Ph.D (both Full time and Part time) from January, 2021 and onwards have to undergo Ph.D Course Work Part 1. Paper 4 - Research and Publication Ethics.

### 14. Part-II : SUBMISSION OF SYNOPSIS AND THESIS

Each candidate shall be required to choose a Research problem and submit the thesis under the guidance of her Supervisor.

#### 14.1. Submission of synopsis

Not less than **THREE months** before the submission of the thesis, every candidate shall submit to the Controller of Examinations, through the Supervisor, a synopsis of the proposed thesis together with all relevant documents as in the check list and stating the title of the thesis to be presented in the prescribed application form along with the prescribed fee. The candidate shall inform the probable date of submission of her thesis in the application. The synopsis shall be submitted both in the form of hard and soft copy in CD. The hard copy should not exceed 20 type written or printed pages (one side only of A4 size). The synopsis should include the following components :

- a) Title of the thesis
- b) Brief description on the state of the art of the research topic
- c) Definition of the problem
- d) Objectives and scope of research work
- e) Methodology
- f) Original contributions
- g) Paper published
- h) Conclusion and
- i) References

Before submission of the synopsis, the candidate should present a pre-synopsis seminar on her data for the Ph.D. thesis before the Doctoral Committee which should submit a suitability report of the same while forwarding the synopsis.

Not later than **SIX MONTHS** after the submission of the synopsis and after the expiry of the minimum period of research prescribed, every candidate shall submit prescribed application and **THREE COPIES** of thesis embodying the results of the research carried out by her. In addition, the thesis shall also be submitted in the form of soft copy in PDF format in a CD.

#### 14.2. Submission of thesis

All Ph.D. scholars must publish at least TWO (2) research papers in peer-reviewed and indexed journals which are indexed in SCOPUS / Web of Science / UGC CARE list with ISBN / ISSN numbers and make two paper presentations in conferences / seminars before submission of the thesis for adjudication, and submit evidence for the same in the form of presentation certificates and reprints to be enclosed along with thesis.

Scholars have to get their two publications scrutinized by competent authorities of the Institution (HoD and Dean) and submit the certificate (Item No. 5 in the Check List - Appendix - XV).

As approved by the Academic Council of the Institution, every draft Ph.D thesis shall be screened by using well developed software as provided by UGC/INFLIBNET to detect plagiarism and other forms of academic dishonesty. While submitting the thesis for evaluation, the thesis shall have an undertaking from the research scholar and a certificate from the Research Supervisor attesting to the originality of the work, vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of the same Institution where the work was carried out, or to any other Institution.

The title page of the thesis, cover and format should strictly confirm to the format as prescribed on **Appendix - IV** and the thesis (all copies) should carry a declaration by the candidate **(Appendix - V)** and certificate **(Appendix - VI)** duly signed and issued by the Supervisor. The thesis should NOT be hard bound and it should have a thin and flexible cover.

No candidate shall ordinarily be permitted to submit the thesis after a period of **FIVE YEARS in the case of full-time research scholars** and **SIX YEARS in the case of part-time research scholars;** provided that the Vice Chancellor may, for valid reasons and on the recommendations of her Supervisor, grant extension of time for not more than **TWO YEARS** in all, to the candidates. The candidate, who is not able to submit her thesis even after the grant of extension of **TWO YEARS**, shall apply for Re-registration.

The Ph.D. thesis/synopsis should be written in English (for subjects other than languages). However, the thesis may also be written in Tamil with prior permission from the respective bodies.

- Controller of Examinations shall take appropriate steps to receive the reports from the examiners as quickly as possible. The examiners shall send their willingness to evaluate the thesis within one month from the date of receipt of the synopsis. Two reminders of two weeks span can be sent. Beyond that an alternative examiner will be appointed
- The examiners shall send their evaluation report in the prescribed format within two months from the date of receipt of the thesis

The examiners shall include in their report an overall assessment placing the thesis in any one of the following categories : (Appendix - VII)

- Recommend the acceptance of the thesis for the award of the Ph.D degree in the present form and further based on the standard attained, classify the work as **COMMENDED or HIGHLY COMMENDED**
- Recommend the acceptance of the thesis. However, the scholar shall incorporate the corrections indicated in the detailed report and place the corrected copy to

the Oral Examination Board but the corrected thesis need not be sent to the examiner

- Defer the recommendation at this stage and the scholar shall incorporate the suggested modifications in the thesis and the corrected thesis along with the scholar's clarifications shall be sent to the respective examiner
- Reject the thesis for the reasons set out in the detailed report classifying as NOT COMMENDED AND REJECTED
- The examiner shall also enclose a detailed report in about 200 to 300 words, indicating the standard attained, the nature of revision and specific reasons
- If both the examiners recommend the award of the degree, the thesis shall be provisionally accepted. Any minor revision, modification, etc., suggested by the examiners shall be carried out before the Oral Examination Board
- If any examiner recommends revision in the thesis, the scholar shall be permitted only once to revise and resubmit the thesis within six months, and the revised thesis shall be referred to the same examiner only in the situation such as
- i. When the examiner recommends new experiments or major modification involving new methodology.
- ii. The examiner insists in sending the thesis back to the same examiner after revision for offering her / his final recommendation on the thesis which shall be only either for recommendation for the award or for rejection.
  - If one examiner recommends the award of the degree while the other recommends rejection, then the thesis shall be referred to the third examiner to be nominated by the Vice Chancellor. If two of the three examiners recommend the award, the thesis shall be provisionally

accepted. If two of the examiners recommend rejection, the thesis shall be rejected and the registration of the scholar shall stand cancelled

- In case, the examiner does not insist to send the thesis back to her / him, the thesis shall be referred to the Doctoral Committee to ascertain the corrections carried out in the thesis as suggested by the examiner
- Individual cases not covered by the above clauses shall be referred to the Vice Chancellor. If deemed fit, the Vice Chancellor shall refer to the Research Advisory Committee which in turn shall refer to the Board of Management, for necessary action

### 15.4. Resubmission of the thesis

A candidate whose thesis has not been recommended for the award of the degree may be permitted to re-submit it on a second occasion within a period of ONE YEAR from the date of declaration of the results with a specific statement from the candidate and the Supervisor about the additional research work conducted and the revision done in the thesis. The resubmitted thesis shall be referred to the same examiner who originally evaluated the thesis for Re-valuation.

### 15.5. Public viva voce examination

An oral examination (viva voce) is compulsory for Doctoral degree. Oral examination allows the examiners to,

- Examine the general field of the thesis
- Clarify any points of ambiguity
- Satisfy themselves that the thesis is the own work of the candidate
- Discuss the thesis in detail

### **Composition of Oral Examination Board**

- CoE
- Supervisor
- Indian Examiner
- Dean of School
- HOD

- The Oral examination shall be conducted within three months as "Open Defence Type" Examination. The circular for the same shall be communicated to the Dean (R&C) /faculty members/research scholars/other departments/ other Institutions, atleast 15 days prior to the viva-voce Examination. A minimum of thirty members excluding Oral Examination Board members shall be present for the viva-voce Examination
- If the Oral Examination Board reports the performance of the scholar as "not satisfactory" then she may opt to reappear for the Oral Examination at a later date (not later than six months from the date of the first Oral Examination). On the second occasion, the Oral Examination Board shall include one more expert nominated by the Vice Chancellor
- If the performance of the scholar in the Oral Examination in the second occasion also is reported to be "not satisfactory", the Vice Chancellor, if deems it necessary, shall refer the remarks of the Oral Examination Board, along with the thesis and comments of the Examiners, to a Committee constituted for this purpose and the decision of the Vice Chancellor shall be final
- On satisfactory completion of the viva voce Examination, the scholar shall submit the corrected thesis in accordance with the format and specification prescribed, duly certified by the Supervisor and joint Supervisor, if applicable, that all the corrections have been incorporated in the thesis as suggested by the examiners, along with a soft copy of the thesis in CD, for Institute archives

### 16. PUBLICATION OF THE THESIS

Papers arising out of the thesis may be published by the scholar and the Supervisor, as and when the manuscripts are ready. However, the thesis as a whole shall be published by the scholar / Supervisor with specific approval of the Vice Chancellor.

After successful completion of Ph.D. and declaration of the results, the Ph.D. thesis is deposited in the Shodhganga at INFLIBNET Centre, an institutional repository.

### 17. THE ACT OF PLAGIARISM

In the case of scholars who have committed the act of plagiarism, her thesis/degree shall be forfeited and her research registration shall be cancelled and also she shall be debarred to register for any other programme in the Institute.

The University Grants Commission has notified the Regulations (dated 23rd July 2018) on Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions. The Institute adopts these Regulations from the academic year 2018-19 to monitor, check, detect and take measures to curb Plagiarism in all research activities including Ph.D. research work.

### **18. POWER TO MODIFY**

Not withstanding all that has been stated above, the Board of Management has the right to modify any of the above regulation from time to time.

### **19. TRANSITORY PROVISION**

These revised regulations came into effect from June, 2021.

### 20. OTHER DETAILS

### APPENDIX - II

### FUNCTIONS OF THE DOCTORAL COMMITTEE

- To discuss, advise and recommend on all matters connected with the candidate's research from provisional registration till the submission of the thesis.
- 2. To suggest courses to be undertaken by the candidate during the first year of her provisional registration, in the light of her attainment and with a view to fulfilling the requirements of the research.

The instruction may be given for such courses for about three to four months in such subjects as may be recommended by the Doctoral Committee and through lectures, seminars, discussions, laboratory techniques, field work, etc.

3. To conduct the Part I course work and examination for the candidate by written and oral examinations, on the completion of such courses, at the end of the first year of provisional registration and to report to the Institute on the fitness or otherwise of the candidate to proceed with her research work for the Ph.D. and recommending the confirmation of the provisional registration.

In case where the provisional registration of a research scholar is not confirmed at the end of the FIRST year, the Doctoral Committee may recommend the candidate to undertake additional course work / examination after a further period of not exceeding SIX MONTHS at the end of which she shall be examined again; and if found fit, her provisional registration will be confirmed and she will be permitted to proceed with her research work. A candidate who is not found fit even after the additional course and re-examination, shall not be permitted to continue research and her provisional registration shall be cancelled.

- 4. To monitor the candidate's work periodically by directing her [a] to give periodical seminars on her work; [b] to submit reports once in six months positively both in the case of full time and part-time candidates to the Dean (R & C) on the progress of the candidate in research work in the prescribed format (Appendix - III); [c] to conduct and supervise and presentation by the candidate of the final draft of her proposed thesis for approval before the submission of synopsis of the thesis to the Controller of Examinations and to give a recommendation to this effect to be submitted along with the synopsis.
- 5. To suggest a panel of 12 names (six from International and 6 from National (East (1), West (1) North (1) and Southern States (3) of India) to be considered for appointment as examiners by the University, for evaluating the thesis and for the public viva - voce examination, taking special care to see that none of the names so suggested is an immediate relative of the candidate / Supervisor.
- Provided that persons suggested for appointment as examiners should hold Ph.D. degree with teaching and research experience for at least 10 years at the postgraduate level with good research publications.

### ADMISSION PROCEDURE

The admission procedures should be completed by the Departmental Selection Committee of the concerned departments along the same lines as P.G. admission procedures of the departments of the Institute provided the following guidelines are adopted:

- A check list of certificates (except Transfer Certificate) verified and certified by the admission committee shall be enclosed.
- Every applicant for Ph.D. must be checked for her eligibility, category of Registration, vacancy position available with the Supervisor etc.
- c. Subject to the above conditions, the Heads of the Departments of the Institute on approval by the department / campus admission committee can issue the Ph.D. admission letter. However, the provisional registration shall be issued by the Institute after ratifying the admission.
- Ph.D. Registration application form shall be forwarded to the office only after getting the approval for admission to the Ph.D. programme from this Institute.

### ADMISSION

The admission will be made purely on merit basis:

 i. 55% of marks shall be from the qualifying examination. (50% for SC/ST/PwD) ii. The entrance test which will be conducted by the respective departments shall carry a maximum of 100 marks as detailed below:

SI. No.	Type of Maximum	Examination marks
i)	Written	70
ii)	Oral	30
	Total	100

- iii. The candidate should secure at least 50 marks out of 100 marks in the entrance test (Written and Oral together).
- iv. The candidate should take the examination only in the subject for which she has applied for admission to the Ph.D. programme.
- v. The Head of the Department may design the question paper for the entrance test. The question paper has to be set and valued by the respective admission committee of the departments only.
- vi. If the candidates have **passed Master's degree in grading system**, they may be asked to **get equivalent marks** or classification for the same from the University concerned and the same may be forwarded to the office with the selected list.
- vii. The conditions for admission prescribed under the regulations in respect of the Ph.D. programme should be strictly followed. All candidates should have passed two years PG degree course after three years first degree course and higher secondary of 12 years duration or two years PG degree course after three years first degree

course with one year pre University under 11 years SSLC (10+2+3+2/11+1+3+2). Candidates who have passed the PG degree examination with less than 17 years of total duration of the course are not eligible for admission to the Ph.D, programme.

- viii. The Head of the Department of the Institute should insist on the production of an eligibility certificate obtained from the Registrar of their University, before granting admission to them in respect of candidates who have passed their qualifying examination from other boards / Universities.
- ix. While forwarding the admission list the following should be furnished:
  - a. The applications of the candidates who have applied for the Ph.D. programme along with the enclosures.
  - b. List of the candidates applied, interviewed and selected [as per the format given in the last page].
  - c. Minutes of the meeting of the Departmental selection Committee with signatures of all the members.
  - The check list of certificates (Transfer certificate) verified and certified by the departmental admission committee.
  - e. In case of foreign candidates a **research visa** obtained from the respective High Commission / Embassy or through Human Resource Development, Ministry of Education, Govt. of India, New Delhi, for the period of the Ph.D. programme. (Two or three years as the case may be).

- f. In case the mark sheets and degree certificates are in languages other than English translation of the same approved by competent authority should be provided.
- x. The fees payable to the Institute should be collected from each candidate and remitted to the Institute after receipt of the communication regarding approval for admission to the Ph.D. programme from this Institute.

The ultimate responsibility of admission rests only with the Heads of the Departments concerned.

If it is observed at a later stage that the admission given by the Institute Departments is incorrect, the same will be cancelled by the Institute at any stage of the Ph.D. Programme. The Heads of the Departments of the Institute should certify that the selections are made on the basis of guidelines issued by the Institute. Permission for Admissions should be reported to the authorities in the following formats:
