Language Laboratory Report

(2018-2019)

Language Laboratory Report

(2018-2019)

Language Laboratory classes are student-centered. Maximum interaction and participation are by students. Peer learning, group learning, and pair learning are encouraged. Students exchange ideas on how to crack UPSC exams, develop a hobby to reduce stress, how to manage time effectively. Total Beneficiaries are 180 from I BE and I B.Voc. Students and III and final year students use the laboratory for preparing for placement.

The number of 1096 final-year undergraduate students who were trained in LSRW Skills, Communication skills, interview skills, and vocational skills training during the year.

Panel Discussion on Enhancing Technical Skills through online courses dated 9.8.2018

162 first-year students from the school of education were trained in LSRW skills, letter writing, objective writing, comparing and organizing the program, sports commentary, and lesson plan writing skills. Grammar, vocabulary, communication skills, vocational training, and article writing were given to the 171 second-year students. Workshops were organized on 28th & 29th September 2018 titled 'LSRW: Language Learning Solutions' in the department of Education to promote the use of language laboratories among students and teachers.

Dr. J. John Sekar, The American College delivering a lecture on LSRW skills
