

Our Collaborations

**Technical MoU University of Brawijaya,
Indonesia**

Jeju National University, S. Korea

Gyeongsang National University, S.Korea

**University of Latvia, Latvia,
Arya Vaidya Pharmacy
Coimbatore**

**Mongolian Academy of Sciences,
Mongolia**

Chung Ang University, S. Korea

Avinashilingam Institute for Home Science and Higher Education has MoUs with the following Universities

S. No	University	Period
1	Department of Oriental Medicine Material and Processing, KyungHee University, South Korea	April 2007 – March 2010
2	Research Centre for Food and Nutritional Genomics, Kyungpook National University	October 2008 – September 2015
3	Korean Ginseng Centre and Genetic Resource Bank, KyungHee University, South Korea	August, 2009 – July 2015
4	School of Food Science and Technology, College of Natural Sciences, ChungAng University	April 2013 – March 2016
5	Korea National Animal Resources Research Centre (KNARRC), Korea National Animal Bioresource Bank (ABRB), Laboratory of Biochemistry, Gyeongsang National University	April 2013 – March 2016 December 2016 – November 2019
6	Jeju National University, Jeju, S. Korea	February 2017 – January 2022
7	Mongolian Academy of Sciences, Mongolia	August 2017 – July 2022
8	University of Brawijaya, Malang, Indonesia	February 2017 – January 2022

Student Exchange at Research Level

Name of the Student	Period	University Visited
From India to Korea		
Ms.V. Veena	June, 2007 to Aug, 2007	KyungHee University
Ms. M. Mahalakshmi		
Neha G. Wasnik	Oct 2008 to Sep, 2009	KyungHee University, Suwon, S. Korea – NIIED fellowship to Conduct one year research in Korea on transcriptome analysis of <i>Withania somnifera</i>
Ms. Irene Mariam Roy and Ms. Shobana Nancy Charles	May 2013 to July 2013	Gyeongsang National University
Preethi M. P	Sep. 2013 to Feb, 2014	Chungnam National University, and worked on

		the effect of withania extracts on inflammatory responses in BMDM
From India to Indonesia		
Mrs. K. Ramya, Ph.D scholar	October 2019 (1 Month)	Department of Biology, University of Brawijaya
From Korea to India		
Ms. Hae Jin Lee and Mrs. Min Kyeong Kim, Research scholars, Department of Oriental Medicinal Material and Processing, KyungHee University, Suwon, S. Korea	July 2012 to Aug. 2012	Department of Biochemistry, Avinashilingam Institute
From Mongolia to India		
Mrs. Khongruzul Odgrel, Research Scientist, Division of Plant Biotechnology, Mongolian Academy of Sciences, Ulanbaatar, Mongolia	December 2012 to March 2012	Department of Biochemistry, Avinashilingam Institute

Students enrolled for Ph.D with fellowship		
Name of the Students	Year	Ph.D
Sreepriya. S	2013	KyungHee University, Suwon, S.Korea worked on Korean ginseng
Sri Renuga Devi. B	2013	KyungHee University, worked on Korean ginseng
Kalpana D	2013	Chonbuk National University, Jeonju, Environmental biotechnology and identified a novel method to analyse dye degradation
Preethi V	2017	Gyeongsang National University, Jinju, Elucidation of anticancer mechanism of flavonoid rutin and its glycoside form on gastric cancer through <i>in vitro</i> and <i>in silico</i> approaches
Sulagna Mukarjee	2017	Daegu University, Daegu, Understanding obesity genes

Professors on visit

The following Professors and scientists have visited our University from 2007 to 2020.

1. Dr. Min Tae Sun, Director, Life Science Division, National Research Foundation, Korea
2. Dr. Yang Deok Chun, Professor, Department of Oriental Medicinal Material and Processing, KyungHee University, Suwon
3. Dr. Kim Gon Sup, Professor, Laboratory of Biochemistry, Gyeongsang National University, Jinju
4. Dr. Lim Yong Pio, Director, College of Agricultural and Life Sciences, Chungnam National University, Daejeon
5. Dr. Choi Hyun Kyoon, Professor, College of Pharmacy, ChungAng University, Seoul
6. Dr. Lee Chan, Director, College of Food Biotechnology, ChungAng University, Anseong
7. Dr. Yang Tae Jin, Professor, College of Agriculture and Life Sciences, Seoul National University

8. Dr. Kim Jin Man, Professor, Department of Pathology, School of Medicine, Chungnam National University
9. Dr. Jung Hee Tae, Department of Chemical and Biomolecular Engineering, KAIST
10. Dr. Park Moon Ki, Department of Herbal Pharmaceutical Engineering, Daegu Haany University
11. Dr. Mirim Jin, Professor, Lab of Pathology, College of Oriental Medicine, Deajon University
12. Dr. Sasmito Djati, Vice Rector, University of Brawijaya, Indonesia
13. Dr. Estri Laras, Professor, Department of Biology, University of Brawijaya, Indonesia
14. Dr. Joni Kushnadi, Professor, Department of Agricultural Technology, University of Brawijaya, Indonesia
15. Dr. Zulfida Pentagama, Professor, Department of Biology, University of Brawijaya, Indonesia

Staff Exchange at Research Level

Name of the Staff	Period	University Visited
From India to Korea		
Dr. K. Kalaiselvi	Sep. 2009 to Oct. 2009	KyungHee University, S. Korea
	May 2014 to July 2014	Seoul National University, S. Korea
Dr. N. Santhi		
Dr. Kowsalya	March 2012	KyungPook National University, S. Korea
Dr. P. Lalitha		Korea Advanced Institute of Science and Technology, Daejon, S. Korea
Dr. K. Kalaiarasi		
Dr. Manimegalai		
Dr. Saravanaprabha		ChungAng University, S. Korea

Staff as Visiting Professors

Name of the Staff	Period	University Visited
From Korea to India		
Dr. Jin Man Kim, Professor, Department of Pathology, School of Medicine, Chungnam National University, S. Korea	Dec. 2011 to Feb. 2012	Department of Biochemistry, Avinashilingam Institute
From Indonesia to India		
Dr. Estri Laras, Professor, Department of Biology, University of Brawijaya, Indonesia	Dec. 2016 to March 2017	Department of Biochemistry, Avinashilingam Institute
Dr. Joni Kushnadi, Professor, Department of Agricultural Technology, University of Brawijaya, Indonesia		
From India to Indonesia		
Dr. Kalaiselvi Senthil	October 2017 to November 2017	Department of Agricultural Technology, University of Brawijaya, Malang, Indonesia
Dr. S. Gayathri Devi	October 2019	Department of Biology, University of Brawijaya, Malang, Indonesia
Dr. Kalaiselvi Senthil		

Joint Conferences Conducted in India

Indo - Korean Joint Seminar on Secondary Metabolites Sources and Production process – 14th Feb, 2007

Indo - Korean Joint Seminar on Biosciences Research in the Era of Globalization -14th Oct, 2008

Indo - Korean Joint Seminar on Medicinal Plant Research (IKMPR-2010) – 23rd Feb, 2010

Indo Korean Conference on Integrative Biosciences Research Opportunities and challenges (IKCIBR 2012) – 10th & 11th Feb, 2012

Our faculty invited as guest speakers at conferences and special discussions

Name of the Faculty	Conference attended	Venue
Dr. Saroja Prabhakaran Vice Chancellor & Dr .K. Kalaiselvi	Ist Symposium on Food and Nutritional Genomics	KyungPook National University, Aug. 2009
Dr. K. Kalaiselvi	3 rd Symposium on Food and Nutritional Genomics	KyungPook National University, Sep. 2011
Dr. R. Parvatham Dean, Faculty of Science & Dr. K. Kalaiselvi	6 th International Symposium on Oriental Fermented Medicine	KyungHee University, Sep. 2012
Dr. Sheela Ramachandran Vice Chancellor & Dr. K. Kalaiselvi	Invited speaker at ChungAng University	ChungAng University, Jan 2014
Dr. N. Santhi	Invited Speaker at 15 th International Conference on Toxicogenomics	Gyeongsang National University, 2019

Dr. S. Annapoorani, Dr. S. Sumathi & Dr. R. Nirmaladevi	Invited speaker at Green Agro Industry and Bioeconomy	University of Brawijaya, Malang, 2017
Dr. Premavathy Vijayan & Dr. Kalaiselvi Senthil	Invited Speaker at 10 th International Conference on Global resource conservation	University of Brawijaya, Malang, 2019

Vice Chancellor Dr. Premavathy Vijayan and Dr. Kalaiselvi Senthil at Brawijaya Univeristy, 2019

Dr. S. Gayathri Devi, Dr. Kalaiselvi Senthil and Ms. K. Ramya at Brawijaya Univeristy, Indonesia. 2019

Dr. S. Kowsalya, Registrar and Kalaiselvi Senthil at the 8th International Conference on Integrative Traditional Medicine, 2017

Veena & Mahalakshmi at KyungHee Univeristy, 2009

Dr. R. Parvatham & Kalaiselvi Senthil at KyungHee Univeristy, 2012

MinKyeong and HaeJin at our University, 2012

Team Avinashilingam at Brawijaya University at the International Conference on Green Agro Industry and Bioeconomy, 24th & 25th October, 2017
