Organized by

Centre for Machine Learning and Intelligence (CMLI)
(ISO/IEC 20000-1:2018)

with

Scopik Edutech Pvt Ltd, Chennai

About the Event

On 5th December 2024, Centre for Machine Learning and Intelligence (CMLI) in association with Scopik Edutech Pvt Ltd organized a Video Competition for the I B.Sc. AR & VR students. A total of 20 students participated in this creative and educational event.

The competition revolved around the theme “Industrial Revolution”, encouraging students to explore the history and evolution of industrial advancements—from the steam-powered era to Industry 4.0 and smart automation. Participants creatively interpreted the theme using storytelling, visuals, and digital tools to highlight the significance and impact of industrial revolutions across generations.

Students showcased their skills in scripting, filming, editing into their videos. The event was a platform for them to combine historical understanding with modern media production techniques, strengthening both their academic and creative proficiencies.

All video submissions were evaluated by the industry experts, who assessed the entries based on originality, thematic relevance, technical execution, creativity, and overall presentation. The expert feedback provided valuable insights and encouragement to the budding creators.

The event concluded with the announcement of winners and words of appreciation for all participants. This initiative not only fostered creativity and teamwork but also deepened the students engagement with the curriculum in an applied and meaningful manner.

Price Distribution

The prizes were presented by **Mr. S. Sundara Raman**, National Head of Scopik Edutech Pvt Ltd, Chennai and **Dr. P. Subashini**, Coordinator, Centre for Machine Learning and Intelligence and **Dr. M. Krishnaveni**, Co-Coordinator, Centre for Machine Learning and Intelligence to Prize Winners of Video Making Competition which is held on 5/12/2024.
