Title of the Event: Scholarship Opportunities in Scotland for Higher Studies

Date: 19th September 2025

Time: 2:30 PM – 3:30 PM

Venue: Department of computer Science, Avinashilingam Institute, Coimbatore

The Avinashilingam Centre for International Education and Department of Computer science along with Global Reach, Coimbatore, organized a special event on scholarship opportunities in abroad for higher studies. The session was held on 19th September 2025 from 2:30 PM to 3:30 PM for the benefit of students aspiring to pursue education abroad.

The primary purpose of the event was to provide detailed insights into scholarships available in Scotland, along with information on other countries such as the UK and Australia. The session aimed to guide students regarding accommodation, food, and general lifestyle abroad, apart from financial support details.

Highlights of the Event

A representative from Global Reach gave a detailed presentation, covering not only the scholarships in Scotland but also opportunities in countries like the UK and Australia. The details pertaining to accommodation facilities, food arrangements, and the overall lifestyle those students can expect abroad. In addition, students were encouraged to clarify their doubts, and around two to three students actively participated with questions, which led to meaningful and insightful discussions. The information provided gave students a clearer perspective on higher education overseas, with a special focus on the advantages of studying in abroad.

Student Engagement

The event saw enthusiastic participation from students. Many expressed keen interest in exploring the opportunities presented, and the clarifications raised by a

few helped the entire gathering gain a deeper understanding of practical challenges and solutions.

Conclusion

The scholarship event proved to be highly informative and enriching. Students gained valuable knowledge about study abroad opportunities, scholarships, lifestyle, and practical arrangements. The event was not only successful in addressing student queries but also in motivating them to pursue higher studies internationally with confidence.
