**REPORT OF THE ACIE MEETING ORGANIZED BY SCHOOL OF PSCS,  
BIOSCIENCES & AHS ON 18.02.2026**

The session started with a soulful prayer song. An awareness program titled “Global Edge: Education Meets Careers” was organized by the Avinashilingam Centre for International Education (ACIE) at Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. The session aimed to create awareness among students about opportunities for higher education and career development abroad.

The program was delivered by Mr. Manikandan Nagarajan, Founder and CEO of Aham Global Business Pvt. Ltd., who is also an Immigration Expert and Overseas Employment Specialist. During the session, he explained various opportunities available for students who wish to pursue their higher studies in foreign countries. He discussed the benefits of studying abroad, including exposure to international education systems, better career opportunities, cultural experience, and improved professional skills. He also highlighted different countries that offer quality education, scholarships, and employment opportunities for international students.

Mr. Manikandan also introduced the services provided by Aham Global Business Pvt. Ltd., such as guidance for selecting universities, visa assistance, and support for overseas employment. The session helped students understand the procedures, requirements, and advantages of pursuing education abroad. The program was informative and useful. The session helped in gaining knowledge about international education pathways for students who are interested in exploring global education and career opportunities.
