The A2I (Avinashilingam Artificial Intelligence Club) club organized a successful event on September 26, 2024, with a well-organized agenda that spanned from 10:30 a.m. to 1:00 p.m. The event was marked by a series of enlightening sessions, informative presentations, and engaging discussions.

PRAYER SONG

The event commenced with a serene prayer song by Keerthana. S and Sree Mathi.A, setting a harmonious and contemplative tone for the day.

WELCOME ADDRESS

Suja.G, the president of the club, extended a warm welcome to all participants. She expressed her heartfelt gratitude for their presence and highlighted the significance of the event.

LIGHTING THE LAMP

A traditional lamp was lit as a symbol of enlightenment and knowledge, marking the auspicious beginning of the event.

The lamp was lightened by the Chief Guest, Dean, School of Physical Sciences and Computational Sciences, Head of the Department, Club Coordinators, President, and Secretary of the A2I club.

INTRODUCTION ABOUT THE CLUB

A captivating video introduced the audience to the A2I club, providing insights into its objectives, activities, and achievements.

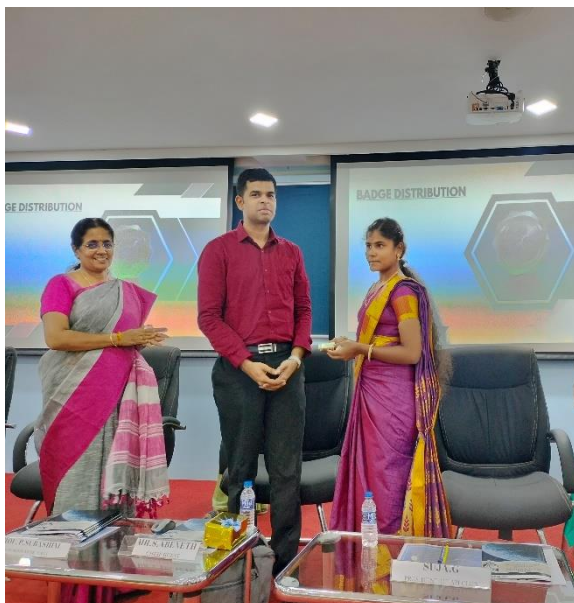

RELEASING THE NEWSLETTER

Newsletter on the topic “*AI IN DISASTER MANAGEMENT* “Issue 12 was released by the dignitaries on the dice.

BADGE DISTRIBUTION

Club members received their badges, symbolizing their commitment to the A2I club’s mission.

PRESIDENTIAL ADDRESS

Dr. P. Subashini, the club coordinator and professor in the Department of Computer Science, delivered an inspiring presidential address. She emphasized the importance of AR in today's world and encouraged active participation in the club's activities.

About the Speaker

Our Chief Guest, Mr. S. Abeneth, has an impressive professional journey, holding key leadership positions in renowned organizations. He currently serves as the Technical Lead at Stealth Space Startup in Irvine, California, USA and brings with him 15 years of experience in product development, project management, and the strategic implementation of AI and IoT technologies, delivered a thought-provoking and informative speech on the Evolving Science of Artificial intelligence and he is an innovative product leader, he possesses a deep passion for harnessing IoT and AI to drive impactful solutions. As a certified Project Management Professional, he is well-equipped to navigate complex projects and deliver successful outcomes. Beyond his professional achievements, he is an avid space enthusiast, always eager to explore the latest advancements in space exploration and integrate those insights into his work.

Special Address

He gave a brief introduction about Evolving Science of Artificial intelligence. He empathizes about the importance of Artificial intelligence (AI). How to change the machine learning to Artificial Intelligence in the computer world and apply in Artificial Intelligence in the real world. Additionally, he provided ideas to the students regarding the job opportunities in this cutting-edge technology.

Smart Learning with AI

Ms.B.Dhanasri, The Treasurer of the A2I club, to explore the new AI tool “QUIZLET” to introduce our students.
