SARADALAYA TAILORING UNIT

Saradalaya tailoring unit was started in the year 1979 and funded by the Central Social Welfare Board. This was instituted exclusively for Women's self-help group. Five women are employed in the unit. The Tailoring Unit is monitored by the department of Textiles and fashion apparel of the university. The working numbers of Saradalaya Tailoring unit are well skilled in designing and stitching different types of ladies and children garments.

The unit undertakes all types of garments like saree blouse saree, petticoat, salwar kameez. Middy top, frock, nightie, fancy frock, designer wear blouse and garments for cultural programme. Apart from this, they also stitch school uniform for high school and middle school girls. This year school uniforms were stitched. Lab coats were stitched for engineering students. Special folders were made and supplied to Ph.D candidates. In addition to this, patch work, pickotassleing, hemming, falls fixing and many other works were carried out as per requirement of customers. Tailoring unit works throughout the year. It helps the hostel students as it is inside the campus within the guidance of textile and clothing department staff members and head of the department. The members in the tailoring unit are enhancing their stitching skill and their excellence is shown in finished products. On an average the employed women earn about Rs.6000-8000 per month.

STUDENTS STATIONERY STORE

a) Main campus

The students' stationery store of Sri Avinashilingam Education Trust Institutions caters to the needs of the students, staff and various departments of the university and school. The stationery store is frequently updated and adequately stocked with items like stationery, consumables, beverages, fancy items, greetings, books and miscellaneous items. Fancy items, in the store charm the students. Apart from the daily services, the stationery store takes up bulk orders from all the departments, administrative office, women study centre, NSS-ETI, lifelong learning and Ambedkar Study Centre. Fully equipped and well stocked stationery is a boon to the campus.

Media Centre

The Video Production Studio in Avinashilingam Institute for Home Science and Higher Education for Women was started in the year 2019 under UGC Non Plan account. The studio spans around 1300 sq. ft including acoustically treated shooting floor for 1,000 sq. ft space ideal for quality video production. It is equipped with high end equipment for shooting and editing videos, sound

recording and editing. The professional studio lights mounted over rails can be moved in required positions and this enable the necessary lighting setting for taking videos. The Video Production Studio was established with the prime purpose of creating educational videos by the faculty members, external agencies and other institutions. In addition to fulfilling the in-house requirements, the studio is available for commercial purposes of the external agencies as a shooting floor or as the facility to create both educational and commercial videos. The video production studio is used for coverage of institutional events and celebrations too. The students of Visual Communication programme also use this studio for learning multi camera production.
