EDUCATION FOR WOMEN**

(Deemed to be university under category 'A' by MHRD, Estd. u/s 3 of UGC Act 1956) Re-accredited with 'A++' Grade by NAAC, Recognized by UGC under section 12B Coimbatore-641 043, Tamil Nadu, India

**Report on Workshop on  
Statistical Tools for Research**

Organized Jointly by  
The Research and Development Cell  
and  
The School of Physical Sciences and  
Computational Sciences

DATE : 25.11.2023

VENUE : Gallery

Resource Person:

Dr.Sreemathi S.Mayya

Professor, Department of Data Science

Manipal Academy Of Higher Education, Manipal

No. of Participants: 26 Research Scholars

## Aim of the Workshop

- To expose the participants to the tools in statistical analysis for research and interpretation of results of statistical analysis
- To expose the participants to a free software Jamovi

## Inaugural Session

The session started at 10.00 am. The welcome address was given by Dr. Shubashini K Sripathi, Professor and Deputy Dean, School of Physical Sciences and Computational Sciences. The participants and the speaker were greeted by Dr. P. Lalitha, Director i/c Research and Development cell.

## Resource Talk

Two sessions were handled by the resource person **Dr. Shreemathi S. Mayya**, Professor, Department of Data Science, Manipal Academy of Higher Education. In the first session she addressed the participants on ***Hypothesis Testing, t-test (paired and unpaired) and corresponding non-parametric tests***. An Introduction to Software 'Jamovi', descriptive statistics and data visualization was also given. In the second session she provided a demonstration of Jamovi software and explained how researchers can do data analysis using the software. A hands-on training session was also provided.

The resource person also explained ANOVA, Chi-square test, correlation and regression. The participants interacted with the speaker and clarified their doubts after the training session.

## Valediction

Feedback was given by various participants in the workshop. The session ended with a warm vote of thanks.

## Volunteers of the Workshop

- Dhanya Sruthi, PhD Research Scholar
- Sindhu S. PhD Research Scholar
- Anusri.N, II PG Department of Chemistry
- Shalini G, II PG Department of Chemistry

After event Feedback by participants

The resource talk was graded good and excellent by the participants

### Overall Feedback by Participants:

- Overall session and the materials provided are really useful. Thank you for introducing us to this simple and easy-to-handle freeware.
- Overall Very Informative And Worthy
- Resourceful eye opener
- Session was helpful for brushing up information on statistical tools
- Workshop helpful to know the Jamovi software

### Further suggestions:

- Some of the Research work is mainly focusing on optimization studies. Optimization studies involve the statistical tools Response Surface Methodology. Hands on training on Response Surface Methodology will be useful for scholars.
- Workshop on Meta analysis
- More workshops on writing a good research paper, review paper
- Mestrenova or topspin software workshop
