Awareness Programme on IPR under National Intellectual Property Awareness Mission (NIPAM) 28 March 2022

REPORT

The DORD and IQAC of Avinashilingam Institute for Home Science & Home Science and higher Education for Women, Coimbatore, along with the Office of the Controller General of Patents, Designs and Trademarks (CGPDTM), Govt. of India, jointly organized an “**Awareness Programme on IPR under National Intellectual Property Awareness Mission (NIPAM)**” on 28th of March 2022 at 9.45 a.m. through virtual mode. Dr.U.Jerinabi, IQAC Coordinator welcomed all. In his Presidential Address, Hon’ble Chancellor of Avinashilingam Institute, Dr.S.P.Thyagarajan elaborated on the need for an awareness of the intellectual Property Rights and how much it contributes to the upgradation of an academic institution. The Vice Chancellor of the institute Dr.V.Bharathi Harishankar offered felicitations. She took pride in mentioning that the entire Avinashilingam Institute is poised to research and innovation in all disciplines, and stated that it is highly necessary that we become aware of our intellectual property rights to move forward to realize all our dreams and goals. The Registrar Dr. S. Kowsalya offered greetings and highlighted the importance of the IPR awareness programme, stating that so far 7 patents have been awarded and 20 are in process in Avinashilingam Institute.

The Speaker of the day was Shri.P.Hariprasath, Examiner of Patents and Designs, Intellectual Property Office, Chennai, Govt. of India. Starting with the most recent and popular instance of how much Facebook had to pay to own the rights of the word ‘Meta’, to introduce the concept of Intellectual Property Rights, he clearly explained that IPR involves anything that arrives out of the creativity possessed by an individual. IPR is to protect the ideas from getting misused. He spoke at length about the types of IPR viz. Patent, Trademark, Copyright, Geographical Indication (GI), etc. Drawing in interesting examples that go patented like a babyshower cap, smart covid mask, pacemaker, a 3D printed house and a Six Player Chessboard, Shri. Hariprasad also spoke about the subject matter of trademarks that include Brand name, Tagline (Slogans), Soundmark, Logo, etc. he also reiterated the need to register a copyright

since it has better enforceability and have evidentiary value in court. Giving a range of examples for GI tagged products the speaker stated that one product can apply for many patents. He also spoke about the validity of the patents, stating that all IP rights are territorial in nature. The programme ended with an interactive quiz on the concepts and examples of IP. Dr.P.Lalitha, Dean (i/c), R&D, proposed the vote of thanks. The programme was attended online by around 287 Faculty Members, Research Scholars and Students from various departments through Cisco Webex platform.
